

Style Guidelines

On a marketplace, the product image is one of your most valuable marketing tools. When customers browse Amazon.in pages, often the image draws them to consider your product. In addition, with so many choices available for online purchases, a well-formed image can set your product apart from the others. Poor quality images turn customers away. Use your product images to communicate the selling points and features of your products, to inform and interest customers, and reinforce your brand. Listings with missing or non-compliant images are suppressed from the site, thereby getting low customer traffic and conversion rates, resulting in missed sales opportunities.

Image Guidelines

- Main image should have 100% White background with (RGB value: 255,255,255).
- The product must fill 85% or more of the image.
- Each product must compulsory have a minimum of 4 images – a front, back, back, detail shot and full-length image complying with the above standards – with extra optional details shots if required to highlight product features.

Title Guidelines

Your product title is the first thing customers see when visiting your detail page and is vital in helping customers to find your products when they search online or visit Amazon.in. Titles also give important information to browsing customers, increasing the chances that they will click on and purchase one of your items. Amazon uses the words in product titles to display your products in search results. A concise and relevant title will drive traffic to your product. Always check titles for consistent format and accuracy. Follow the guidelines below to create product titles that make a good first impression.

For the Parent of Variation Products

[Brand Name] + [Department Name] + [Item Type Name]

Examples:

1. ABC Women's Tights
2. XYZ Men's Stockings

For Standalone or Child products

[Brand Name] + [Department Name] + [Item Type Name] + "Pack of" [Number of Items] + [Color]

Examples:

1. ABC Women's Tights, Pack of 1, Brown
2. XYZ Men's Stockings, Pack of 3, Sliver

WHAT TO DO	WHAT NOT TO DO
Capitalize the first letter of each word. E.g ABC Women's Tights	Do not use all capital letters: ABC WOMEN'S TIGHTS
